**FOR IMMEDIATE RELEASE:**

**CLARIFICATION ON THE OFFICIAL NAME OF THE MINISTRY OF TOURISM,  
CULTURE AND CREATIVE ARTS (MoTCCA)**

---

The Ministry of Tourism, Culture and Creative Arts (MoTCCA) seeks to address and clarify the public confusion surrounding its name.

Management has noted that the Ministry is being referred to by multiple names across various media outlets and in public discussions.

We wish to state emphatically that the official and legally recognized name of the Ministry is:  
**MINISTRY OF TOURISM, CULTURE AND CREATIVE ARTS (MoTCCA)**

This name reflects the Ministry's renewed mandate to fully integrate the creative arts industry as a core component of Ghana's cultural and tourism development agenda. It also reinstates the original name of the Ministry at the time of its creation.

We kindly encourage the public, especially media houses, to take note of this clarification and refer to the Ministry accordingly in all official communications and references.

We remain committed to promoting Ghana's rich tourism, cultural heritage, and creative industries in line with the vision of national development and cultural pride.
